

Director for Client Environmental Health and Safety Program

Examinetics is looking for senior level Employee Health & Safety professionals to expand its emerging Safety Consulting practice. When you join our team, you will help our clients keep their employees healthy, safe, and productive. We are the nation's largest Occupational Health Solutions provider industry with over 3,000 clients nationwide.

Primary Responsibilities

You will be responsible for helping to build this new and expanded line of business. This business will consist of offering and providing comprehensive environmental health and safety services to our 3,000 plus existing clients as well as to new prospective clients. This is a great opportunity to help build a program from the ground up. You will help develop, document, and deliver various consulting services including:

- Industrial Hygiene
 - Noise surveys & dosimetry
 - Air sampling
 - Hazard assessment, identification, and compliance program
- Safety program development, assessment & audits
 - OSHA program development
 - Assist clients in developing OSHA required written programs initially and ongoing review
 - Safety manual development
 - Mock OSHA audits
 - Job hazard analysis
 - Ongoing consultation
 - OSHA citation resolution
- Safety training
 - Assessment of training needs
 - Onsite, instructor led
 - First Aid/CPR/AED
 - Bespoke/specialty classes
 - Online programs

Position requirements

- Minimum of bachelor's degree in occupational/ Environmental Health and Safety
- Master's degree preferred
- Certified Safety Professional or Certified Industrial Hygienist or similar certification
- Extensive relevant experience in industrial setting or safety consulting

Personal skills & characteristics

- Good judgment and discretion
- Ability to think creatively
- Ability to work with a variety of industries and collaborate with their leadership
- Ability to assess, build, and administer programs in multiple formats

- A high level of confidentiality and professionalism with sensitive information
- Self-motivation and commitment to continuous improvement
- Sense of urgency — ability to get things done and shift priorities on very short notice
- Excellent written and verbal communication skills
- Strong organizational skills, attention to detail, client focus and ability to multi-task
- Strong verbal and written communication skills
- Ability to recruit, train, and supervise staff
- Ability to travel (approximately 50%)

Locations

The right candidate can office remotely and travel to client sites as needed. Positions can be located in one of our major metropolitan markets, including: Dallas, Houston, Chicago, Orlando, Atlanta, Charlotte, Denver, Los Angeles, SF Bay Area, DC to Boston Corridor as well as in our Kansas City area corporate offices.

Compensation & Benefits

Compensation is commensurate with experience. Benefits include:

- 3 weeks paid time off plus **8** paid holidays
- Health, vision, and dental insurance
- Competitive benefits package
- 401K

Non-Discrimination

Examintetics does not discriminate based on race, color, religion, sex (including pregnancy and gender identity/expression), national origin, political affiliation, sexual orientation, marital status, disability, genetic information, age, membership in an employee organization, retaliation, parental status, military service, or other non-merit factor, or any other characteristic protected by federal, state, or local laws.
