Job Description Summary

Safety Coordinator

Capital's safety coordinator is equipped for success so we can make it happen for our customers and teammates.

Safety Coordinator is empowered to be responsible for overseeing all aspects of occupational safety management in assigned line of business, implementation and adherence of safety policies and programs, and communicating safety issues to the Safety Director and/or Safety Manager.

Education Or Experience That Prepares You For Success

Bachelor's degree in Occupational Safety and Health or a related field or equivalent work experience 5 years working with Safety, Health and Environmental Management Systems and implementation of safety programs.

Ability and willingness to travel overnight

Knowledge/Skills/Abilities You May Rely On

- Self Starter
- Ability to work independently or as part of a team
- Exceptional written and verbal skills when addressing either individuals or groups
- Presenting information in classroom or conference call settings
- Developing and executing a strategic plan with measurable goals based on leading and lagging indicator performance.
- Performance of multiple locations based on incident data obtained through internal tracking mechanisms.
- OSHA construction and general industry regulation knowledge
- MSHA regulations
- DOT regulations and transportation safety
- MS Office Suite - Excel, Word, Outlook and PowerPoint
- Clean and valid driver's license
- Well-organized approach to constant changing working conditions and/or priorities
- Must be punctual, have a strong work ethic, and maintain a good attendance record.
- Must pass a pre-employment physical, drug/alcohol screen, and background check

Safety Is Key To Our Culture

The physical demands of this role require bending, squatting, crouching, reaching, lifting 25 pounds or more, and working indoors/outdoors when required by the job. The above description is not a complete listing of all miscellaneous, incidental or similar duties which may be required from day to day. Reasonable accommodations may be made to comply with applicable laws.

We value an inclusive and diverse workplace: Environmental Health and Safety Director (EHS Director); Health and Safety Professional; Health and Safety Specialist; Industrial Hygienist; Industrial Safety Engineer; Safety and Health Consultant; Safety Engineer; Safety Manager; Safety Team Leader; Safety, Health, and Environment Vice President

Capital is an Equal Opportunity Employer — Minority/Female/Disabled/Veteran and any other protected class.
